

CONNECTIVITY MATTERS

CERTIFIED CONNECTIVITY & INFRASTRUCTURE

WIRED SCORED

PLATINUM

TOTALLY WIRED

The Aventura Corporate Center is the only commercial property in the City of Aventura certified by Wired Score for premium digital infrastructure.

WiredScore's Certification is designed to ensure that buildings are constructed to the highest possible standards to meet the technology needs and expectations of tenants.

The Center provides reliable, high-speed Internet connectivity that prepares a space to be fully-connected, with top tier providers, from day one of move-in.

UNRIVALED CONNECTIVITY

The Center achieved the international platinum standard for cutting-edge internet connectivity in office buildings.

CERTIFIED

To achieve Wired Score Certification, a building must meet a rigorous set of standards.
